RE: Notice of termination, Consumer Directed Attendant Care Services (CDAC) Rules in ARRC 0883C

EFFECTIVE: August 28, 2013

Notice of Termination

Effective immediately, the Department of Human Services is terminating the rulemaking that was initiated by the notice of intended action published in the Iowa Administrative Bulletin as ARC 0888C. The notice of intended action proposed to amend Chapter 77 by adding new rules to transition services provided by individual CDAC providers to agency provided CDAC services or the Consumer Choice Option (CCO) for those individuals able and desiring to self-direct services.

Due to issues and concerns brought forward, it has been decided that the individual CDAC service transition rules will terminate and shall not be implemented as scheduled. **Members may continue to include the use of individual CDAC providers in new or annual services plans approved after October 1, 2013.** Please disregard the previously issued Informational Letters No.1279, 1280, 1281 and 1282.
